Commodore Corner:

Volume two Wahoo!

I would like to thank Joette Brown for putting on the spaghetti dinner for Missy's Birthday. I want to thank all that attended and helped out with clean up. For those who like to leave early to avoid clean up, let's not make this a habit. This is your yacht club too: you can take the bull by the horns and help out.

We have been approved to stay at the Solano Yacht club for the 4th of July. If you don't take your boat you can still hang out with the gang for the fireworks if you like. Also a new hotel is open if you would like to stay in a private room with your sweetie. The hotel is a five minute walk and sits next to the water.

As you take your boats out beware of floating debris such as logs floating down river. Some of these logs are partial submerged. Keep a close watch.

Gas at the Pittsburg Marina is \$2.99 a gallon right now. If you need fuel and don't want to donate to Vallejo or Benicia's retirement fund.

Scott Trolinder, Commodore

Treasurer Two Cents:

The annual renewal period resulted in the Majority of members renewing, plus we did get some new members. However, the total membership is still down from last year.

We are looking for ways to raise additional money to support our programs. Last year we participated in the GC Annual Yard Sale. That helped but we are seeking new ideas. Please try to come up with a fundraiser idea and email it to: glencoveyc@gmail.com

Vice Commodore Cruise Out Updates:

Hi all GCYC boaters, I'm at the helm on all the cruise outs this year and I have both my motors running this time! We have confirmed Petaluma Cruise out for April 23, 24 & 25th. There is a Butter & Eggs Day parade downtown on Saturday as well as an Antique Fair on Sunday with more than 100 vendors. All within walking distance from the dock.

I'm looking forward to our cruise outs this year and know we will have as much fun as last year. This is a great time to meet new friends and see those from years past. Sooooo... crank up das boat and come along.. Thanks VC Ken
